The Chesapeake Marine Canvas Fabricators Association, Inc., is an organization of Fabricators who design and manufacture fabric products for the marine industry as well as the Suppliers who support them. Once a year, the Association runs the largest Marine Fabricators convention in the Mid-Atlantic/Northeast region.

At this annual event, we conduct seminars, workshops, and lectures concerning our trade, as well as pointers on how to run a small business. At this year's convention, you will have the opportunity to:

Exchange ideas, ask questions, find solutions, and share information with other industry professionals.

Acquire both new business and technical skills.

Stay current with the latest techniques, fabrics, supplies, and tools of the trade.

Visit with the major suppliers of our industry at one location to learn firsthand about new products and obtain new sample books and literature.

Everyone will gain some new information to help them not only in the upcoming spring season but also maybe in the next week!

We also hope to provide a little fun and entertainment, too!!

A quick note from the President of the CMCFA

It is time to think about our 2010 convention!

The Chesapeake Marine Canvas Fabricators Association is excited about returning to Ocean City, Maryland.
